11. Selection Method: The selection method is Least Cost Based Selection (LCBS or L1).

12. Clarification of Bids

- a) To assist in the examination, evaluation, comparison and qualification of the Bids, the bid evaluation committee may, at its discretion, ask any bidder for a clarification regarding its Bid. The committee's request for clarification and the response of the bidder shall be in

writing.

- b) Any clarification submitted by a bidder about its Bid that is not in response to a request by the committee shall not be considered.
- c) No change in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the committee in the evaluation of the financial Bids.
- d) No substantive change to qualification information or to a submission, including changes aimed at making an unqualified bidder, qualified or an unresponsive submission, responsive shall be sought, offered or permitted.
- e) All communications generated under this rule shall be included in the record of the procurement proceedings.

13. Evaluation & Tabulation of Technical Bids

a) Determination of Responsiveness

1. The bid evaluation committee shall determine the responsiveness of a Bid based on bidding document and the provisions of pre-qualification / eligibility criteria of the bidding document.
2. A responsive Bid is one that meets the requirements of the bidding document without any material deviation, reservation, or omission where: -
 - i. "deviation" is a departure from the requirements specified in the bidding document;
 - ii. "reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the bidding document; and
 - iii. "Omission" is the failure to submit part or all of the information or documentation required in the bidding document.
3. A material deviation, reservation, or omission is one that,
 - i. if accepted, shall:-
 1. affect in any substantial way the scope, quality, or performance of the subject matter of procurement specified in the bidding documents; or
 2. limits in any substantial way, inconsistent with the bidding documents, the procuring entity's rights or the bidder's obligations under the proposed contract; or
 - ii. if rectified, shall unfairly affect the competitive position of other bidders presenting responsive Bids.
4. The bid evaluation committee shall examine the technical aspects of the Bid in particular, to confirm that all requirements of bidding document have been met without any material deviation, reservation or omission.
5. The procuring entity shall regard a Bid as responsive if it conforms to all requirements set out in the bidding document, or it contains minor deviations that do not materially alter or depart from the characteristics, terms, conditions and other requirements set out in the bidding document, or if it contains errors or oversights that can be corrected without touching on the substance of the Bid.

b) Non-material Non-conformities in Bids

1. The bid evaluation committee may waive any non-conformities in the Bid that do not constitute a material deviation, reservation or omission, the Bid shall be deemed to be substantially responsive.
2. The bid evaluation committee may request the bidder to submit the necessary information or document like audited statement of accounts/ CA Certificate,

Registration Certificate, ISO/ CMMi Certificates, etc. within a reasonable period of time. Failure of the bidder to comply with the request may result in the rejection of its Bid.

3. The bid evaluation committee may rectify non-material nonconformities or omissions based on the information or documentation received from the bidder under (b) above.

c) **Technical Evaluation Criteria:** Bids shall be evaluation based on the documents submitted as a part of technical bid. Technical bid shall contain all the documents as asked in the clause “Format and Signing of Bids”

d) **Tabulation of Technical Bids**

1. If Technical Bids have been invited, they shall be tabulated by the bid evaluation committee in the form of a comparative statement to evaluate the qualification of the bidders against the criteria for qualification set out in the bidding document.
 2. The members of bid evaluation committee shall give their recommendations below the table as to which of the bidders have been found to be qualified in evaluation of Technical Bids and sign it.
- e) The number of firms qualified in technical evaluation, if less than three and it is considered necessary by the procuring entity to continue with the procurement process, reasons shall be recorded in writing and included in the record of the procurement proceedings.
- f) The bidders who qualified in the technical evaluation shall be informed in writing about the date, time and place of opening of their financial Bids.

14. Evaluation & Tabulation of Financial Bids: Subject to the provisions of “Acceptance of Successful Bid and Award of Contract” below, the procuring entity shall take following actions for evaluation of financial Bids:-

- a) The financial Bids of the bidders who qualified in technical evaluation shall be opened online at the notified time, date and place by the Bid Opening Committee in the presence of the bidders or their representatives who choose to be present
- b) The process of opening of the financial Bids shall be similar to that of technical Bids.
- c) the names of the bidders, the rates given by them and conditions put, if any, shall be read out and recorded;
- d) Conditional Bids are liable to be rejected;
- e) The evaluation shall include all costs and all taxes and duties applicable to the bidder as per law of the Central/ State Government/ Local Authorities, and the evaluation criteria specified in the bidding documents shall only be applied;
- f) The offers shall be evaluated Part-wise and marked L1, L2, L3 etc., L1 being the lowest offer and then others in ascending order in case price is the only criteria, OR evaluated and marked H1, H2, H3 etc., in descending order.
- g) The bid shall also be evaluated Item-wise for each part and marked L 1, L2, L3 etc. L1 being lowest offer for a particular Item and then others in ascending order. For evaluation, all serial numbers & sub parts of a serial number having same item number shall be considered together as a single item.
- h) The bid evaluation committee shall prepare a comparative statement in tabular form in accordance with rules along with its report on evaluation of financial Bids and recommend the lowest offer for acceptance to the procuring entity
- i) The members of bids evaluation committee shall give their recommendations below the table regarding lowest Bid or most advantageous Bid and sign it.

- j) It shall be ensured that the offer recommended for sanction is justifiable looking to the prevailing market rates of the goods, works or service required to be procured.

15. Correction of Arithmetic Errors in Financial Bids: The bid evaluation committee shall correct arithmetical errors in substantially responsive Bids, on the following basis, namely-

- a) multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the bid evaluation committee there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- b) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- c) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to clause (a) and (b) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

16. Price/ purchase preference in evaluation: Price and/ or purchase preference notified by the State Government (GoR) and as mentioned in the bidding document shall be considered in the evaluation of Bids and award of contract.

17. Negotiations

- a) Negotiations may, however, be undertaken only with the partwise lowest or most advantageous bidder when the rates appear to be much higher than the prevailing market rates.
- b) The bid evaluation committee shall have full powers to undertake negotiations. Detailed reasons and results of negotiations shall be recorded in the proceedings.
- c) In case of the lowest financial bid value partwise but higher bid value in any one or more item(s), the evaluation committee reserves the right to give the counter-offer to L1 bidder on partwise bid value (with same lowest values for the Item(s)) in the interest of JDA. In case L1 bidder on partwise value rejects the counter-offer then the L1 bidder for particular item(s) will be considered.
- d) If the L1 bidder for a particular item withdraws the offer, then other bidder(s) in ascending order, for particular item(s) will be considered.
- e) The partwise lowest or most advantageous bidder shall be informed in writing either through messenger or by registered letter and e-mail (if available). A minimum time of seven days shall be given for calling negotiations. In case of urgency the bid evaluation committee, after recording reasons, may reduce the time, provided the lowest or most advantageous bidder has received the intimation and consented to regarding holding of negotiations.
- f) Negotiations shall not make the original offer made by the bidder inoperative. The bid evaluation committee shall have option to consider the original offer in case the bidder decides to increase rates originally quoted or imposes any new terms or conditions.
- g) In case of non-satisfactory achievement of rates from lowest or most advantageous bidder, the bid evaluation committee may choose to make a written counter offer to the lowest or most advantageous bidder and if this is not accepted by him, the committee may decide to reject and re-invite Bids or to make the same counter-offer first to the second lowest or most advantageous bidder, then to the third lowest or most advantageous bidder and so on in the order of their initial standing and work/ supply order be awarded to the bidder who accepts the counter-offer. This procedure would

be used in exceptional cases only.

- h) In case the rates even after the negotiations are considered very high, fresh Bids shall be invited.

18. Exclusion of Bids/ Disqualification

- a) A procuring entity shall exclude/ disqualify a Bid, if: -
1. the information submitted, concerning the qualifications of the bidder, was false or constituted a misrepresentation; or
 2. the information submitted, concerning the qualifications of the bidder, was materially Inaccurate or incomplete; and
 3. the bidder is not qualified as per pre-qualification/ eligibility criteria mentioned in the bidding document;
 4. the Bid materially departs from the requirements specified in the bidding document or it contains false information;
 5. the bidder, submitting the Bid, his agent or any one acting on his behalf, gave or agreed to give, to any officer or employee of the procuring entity or other governmental authority a gratification in any form, or any other thing of value, so as to unduly influence the procurement process;
 6. a bidder, in the opinion of the procuring entity, has a conflict of interest materially affecting fair competition.
- b) A Bid shall be excluded / disqualified as soon as the cause for its exclusion/disqualification is discovered.
- c) Every decision of a procuring entity to exclude a Bid shall be for reasons to be recorded in writing and shall be: -
1. communicated to the concerned bidder in writing;
 2. published on the State Public Procurement Portal, if applicable.

19. Lack of competition

- a) A situation may arise where, if after evaluation of Bids, the bid evaluation committee may end-up with one responsive Bid only. In such situation, the bid evaluation committee would check as to whether while floating the NIB all necessary requirements to encourage competition like standard bid conditions, industry friendly specifications, wide publicity, sufficient time for formulation of Bids, etc., were fulfilled. If not, the NIB would be re-floated after rectifying deficiencies. The bid process shall be considered valid even if there is one responsive Bid, provided that: -
1. the Bid is technically qualified;
 2. the price quoted by the bidder is assessed to be reasonable;
 3. the Bid is unconditional and complete in all respects;
 4. there are no obvious indicators of cartelization amongst bidders; and
 5. the bidder is qualified as per the provisions of pre-qualification / eligibility criteria in the bidding document
- b) The bid evaluation committee shall prepare a justification note for approval by the next higher authority of the procuring entity, with the concurrence of the accounts member.
- c) In case of dissent by any member of bid evaluation committee, the next higher authority in delegation of financial powers shall decide as to whether to sanction the single Bid or re-invite Bids after recording reasons.
- d) If a decision to re-invite the Bids is taken, market assessment shall be carried out for estimation of market depth, eligibility criteria and cost estimate.

20. Acceptance of the successful Bid and award of contract

- a) The procuring entity after considering the recommendations of the bid evaluation committee and the conditions of Bid, if any, financial implications, trials, sample testing and test reports, etc., shall accept or reject the successful Bid. If any member of the bid evaluation committee has disagreed or given its note of dissent, the matter shall be referred to the next higher authority, as per delegation of financial powers, for decision.
- b) Decision on Bids shall be taken within original validity period of Bids and time period allowed to procuring entity for taking decision. If the decision is not taken within the original validity period or time limit allowed for taking decision, the matter shall be referred to the next higher authority in delegation of financial powers for decision.
- c) Before award of the contract, the procuring entity shall ensure that the price of successful Bid is reasonable and consistent with the required quality.
- d) A Bid shall be treated as successful only after the competent authority has approved the Procurement in terms of that Bid.
- e) The procuring entity shall award the contract to the bidder whose offer has been determined to be the lowest or most advantageous in accordance with the evaluation criteria set out in the bidding document and if the bidder has been determined to be qualified to perform the contract satisfactorily on the basis of qualification criteria fixed for the bidders in the bidding document for the subject matter of procurement.
- f) Prior to the expiration of the period of bid validity, the procuring entity shall inform the successful bidder, in writing, that its Bid has been accepted.
- g) As soon as a Bid is accepted by the competent authority, its written intimation shall be sent to the concerned bidder by registered post or email and asked to execute an agreement in the format given in the bidding documents on a non-judicial stamp of requisite value and deposit the amount of performance security or a performance security declaration, if applicable, within a period specified in the bidding documents or where the period is not specified in the bidding documents then within fifteen days from the date on which the letter of acceptance or letter of intent is dispatched to the bidder.
- h) If the issuance of formal letter of acceptance is likely to take time, in the meanwhile a Letter of Intent (LOI) may be sent to the bidder. The acceptance of an offer is complete as soon as the letter of acceptance or letter of intent is posted and/ or sent by email (if available) to the address of the bidder given in the bidding document. Until a formal contract is executed, the letter of acceptance or LOI shall constitute a binding contract.
- i) The bid security of the bidders who's Bids could not be accepted shall be refunded soon after the contract with the successful bidder is signed and its performance security is obtained.

21. Information and publication of award: Information of award of contract shall be communicated to all participating bidders and published on the respective website(s) as specified in NIB.

22. Procuring entity's right to accept or reject any or all Bids: The Procuring entity reserves the right to accept or reject any Bid, and to annul (cancel) the bidding process and reject all Bids at any time prior to award of contract, without thereby incurring any liability to the bidders.

23. Right to vary quantity

- a) At the time of award of contract, the quantity of goods, works or services originally specified in the bidding documents may be increased as per RTTP Act-2012 and Rules-2013. It shall be without any change in the unit prices or other terms and conditions of the Bid and the bidding documents.
- b) If the procuring entity does not procure any subject matter of procurement or procures less

than the quantity specified in the bidding documents due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.

- c) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. The repeat order shall be as per RTTP Act-2012 and Rules-2013.

 - 3. If the bidder breaches any provision of code of integrity, prescribed for bidders, specified in the bidding document.
- f) Notice will be given to the bidder with reasonable time before PSD deposited is forfeited.
- g) No interest shall be payable on the PSD. PSD shall be released after completion of contract

period.

25. Execution of agreement

- a) A procurement contract shall come into force from the date on which the letter of acceptance or letter of intent is despatched to the bidder.
- b) The successful bidder shall sign the procurement contract within 15 days from the date on which the letter of acceptance or letter of intent is despatched to the successful bidder.
- c) If the bidder, who's Bid has been accepted, fails to sign a written procurement contract or fails to furnish the required performance security within specified period, the procuring entity shall take action against the successful bidder as per the provisions of the bidding document and Act. The procuring entity may, in such case, cancel the procurement process or if it deems fit, offer for acceptance the rates of lowest or most advantageous bidder to the next lowest or most advantageous bidder, in accordance with the criteria and procedures set out in the bidding document.
- d) The bidder will be required to execute the agreement on a non-judicial stamp of specified value at its cost and to be purchase from anywhere in Rajasthan only.

26. Confidentiality

- a) Notwithstanding anything contained in this bidding document but subject to the provisions of any other law for the time being in force providing for disclosure of information, a procuring entity shall not disclose any information if such disclosure, in its opinion, is likely to: -
 - 1. impede enforcement of any law;
 - 2. affect the security or strategic interests of India;
 - 3. affect the intellectual property rights or legitimate commercial interests of bidders;
 - 4. affect the legitimate commercial interests of the procuring entity in situations that may include when the procurement relates to a project in which the procuring entity is to make a competitive bid, or the intellectual property rights of the procuring entity.
- b) The procuring entity shall treat all communications with bidders related to the procurement process in such manner as to avoid their disclosure to competing bidders or to any other person not authorised to have access to such information.
- c) The procuring entity may impose on bidders and sub-contractors, if there are any for fulfilling the terms of the procurement contract, conditions aimed at protecting information, the disclosure of which violates (a) above.
- d) In addition to the restrictions specified above, the procuring entity, while procuring a subject matter of such nature which requires the procuring entity to maintain confidentiality, may impose condition for protecting confidentiality of such information.

27. Cancellation of procurement process

4. Form of Appeal

- (a) An appeal under para (1) or (3) above shall be in the annexed Form along with as many copies as there are respondents in the appeal.
- (b) Every appeal shall be accompanied by an order appealed against, if any, affidavit verifying the facts stated in the appeal and proof of payment of fee.
- (c) Every appeal may be presented to First Appellate Authority or Second Appellate Authority (as the case may be) in person or through registered post or authorised representative.

5. Fee for filing appeal

- (a) Fee for first appeal shall be rupees two thousand five hundred and for second 'appeal shall be rupees ten thousand, which shall be non-refundable.
- (b) The fee shall be paid in the form of bank demand draft or banker's cheque of a Scheduled Bank in India payable in the name of Appellate Authority concerned.

6. Procedure for disposal of appeal

- (a) The First Appellate Authority or Second Appellate Authority (as the case may be) upon filing of appeal, shall issue notice accompanied by copy of appeal, affidavit and documents, if any, to the respondents and fix date of hearing.
- (b) On the date fixed for hearing, the First Appellate Authority or Second Appellate Authority, (as the case may be) shall -
 - (i) hear all the parties to appeal present before him; and
 - (ii) peruse or inspect documents, relevant records or copies thereof relating to the matter.
- (c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the Appellate Authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.
- (d) The order passed under sub-clause (c) above shall also be placed on the State Public Procurement Portal.

31. Stay of procurement proceedings: While hearing of an appeal, the officer or authority hearing the appeal may, on an application made in this behalf and after affording a reasonable opportunity of hearing to the parties concerned, stay the procurement proceedings pending disposal of the appeal, if he, or it, is satisfied that failure to do so is likely to lead to miscarriage of justice.

32. Vexatious Appeals & Complaints: Whoever intentionally files any vexatious, frivolous or Malicious appeal or complaint under the "The Rajasthan Transparency Public Procurement Act 2012", with the intention of delaying or defeating any procurement or causing loss to any procuring entity or any other bidder, shall be punished with fine which may extend to twenty lakh rupees or five per cent of the value of procurement, whichever is less.

33. Offenses by Firms/ Companies

- a) Where an offence under "The Rajasthan Transparency Public Procurement Act 2012" has been committed by a company, every person who at the time the offence was

committed was in charge of and was responsible to the company for the conduct of the business of the company, as well as the company, shall be deemed to be guilty of having committed the offence and shall be liable to be proceeded against and punished accordingly:

- Provided that nothing contained in this sub-section shall render any such person liable for any punishment if he proves that the offence was committed without his knowledge or that he had exercised all due diligence to prevent the commission of such offence.
- b) Notwithstanding anything contained in (a) above, where an offence under this Act has been committed by a company and it is proved that the offence has been committed with the consent or connivance of or is attributable to any neglect on the part of any director, manager, secretary or other officer of the company, such director, manager, secretary or other officer shall also be deemed to be guilty of having committed such offence and shall be liable to be proceeded against and punished accordingly.
- c) For the purpose of this section-
1. "Company" means a body corporate and includes a limited liability partnership, firm, registered society or co-operative society, trust or other association of individuals; and

- b) Technical Specifications and Drawings
- a. The Supplier/ Selected Bidder shall ensure that the goods and related services comply with the technical specifications and other provisions of the Contract.
 - b. The Supplier/ Selected Bidder shall be entitled to disclaim responsibility for any design, data, drawing, specification or other document, or any modification thereof provided or designed by or on behalf of the Purchaser, by giving a notice of such disclaimer to the Purchaser.
 - c. The goods and related services supplied under this Contract shall conform to the standards mentioned in bidding document and, when no applicable standard is mentioned, the standard shall be equivalent or superior to the official standards whose application is appropriate to the country of origin of the Goods.
- c) Wherever references are made in the Contract to codes and standards in accordance with which it shall be executed, the edition or the revised version of such codes and standards shall be those specified in the bidding document. During Contract execution, any changes in any such codes and standards shall be applied only after approval by the Purchaser and shall be treated in accordance with the general conditions of the contract.
- d) The supplier/ selected bidder must certify that all the goods are new, unused, and of the agreed make and models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.
- e) The supplier/ selected bidder should further warrant that the Goods shall be free from defects arising from any act or omission of the supplier/ selected bidder or arising from design, materials, and workmanship, under normal use in the conditions prevailing in the place of final destination.

18. Packing and Documents

- a) The Supplier / Selected Bidder shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. During transit, the packing shall be sufficient to withstand,

without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the final destination of the Goods and the absence of heavy handling facilities at all points in transit.

- b) The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the contract, and in any other instructions ordered by the Purchaser.

19. Insurance

- a) The Goods supplied under the Contract shall be fully insured against loss by theft, destruction or damage incidental to manufacture or acquisition, transportation, storage, fire, flood, under exposure to weather and delivery at the designated project locations, in accordance with the applicable terms. The insurance charges will be borne by the supplier and Purchaser will not be required to pay such charges if incurred.
- b) The goods will be delivered at the FOR destination in perfect condition.

20. Transportation

- a) The supplier / selected bidder shall be responsible for the proper packing to avoid damage under normal conditions of transport by sea, rail and road or air and delivery of the material in the good condition to the consignee at destination. In the event of any loss, damage, breakage or leakage or any shortage the bidder shall be liable to make good such loss and shortage found at the checking / inspection of the material by the Consignee. No extra cost on such account shall be admissible.
- b) All goods must be sent freight paid through Railways or goods transport. If goods are sent freight to pay, the freight together with departmental charge @5% of the freight will be recovered from the supplier's / selected bidder's bill.

21. Inspection

- a) The Procurement Entity or his duly authorized representative shall at all reasonable times have access to the supplier's / selected bidder's premises and shall have the power at all reasonable time to inspect and examine the materials and workmanship of the goods / equipment / machineries during manufacturing process or afterwards as may be decided.

22. Inspection / Testing charges: Inspection / Testing charges (for engaging third party if any) shall be borne by the supplier/ bidder/ selected bidder.

23. Rejection

- a) Articles / Goods not approved during inspection or testing shall be rejected and will have to be replaced by the selected bidder at his own cost within the time fixed by the Procurement Entity.
- b) If, however, due to exigencies of work, such replacement either in whole or in part, is not considered feasible, the Procurement Entity after giving an opportunity to the selected bidder of being heard shall for reasons to be recorded, deduct a suitable amount from the approved rates. The deduction so made shall be final.
- c) The rejected articles / goods shall be removed by the supplier/ bidder/ selected bidder within 15 days of intimation of rejection, after which Procurement Entity shall not be responsible for any loss, shortage or damage and shall have the right to dispose of such articles as he thinks fit, at the selected bidder's risk and on his account.

24. Extension in Delivery Period and Liquidated Damages (LD)

- a) Except as provided under clause "Force Majeure", if the supplier/ selected bidder fails to deliver any or all of the Goods or perform the Related Services within the period specified in the Contract, the Purchaser may without prejudice to all its other remedies

under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in (d) below for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in the bidding document and / or contract. Once the maximum is reached, the Purchaser may terminate the Contract pursuant to clause "Termination".

- b) The time specified for delivery in the tender form shall be deemed to be the essence of the contract and the supplier/ selected bidder shall arrange goods supply and related services within the specified period.
- c) Supply and installation/ completion period may be extended with or without liquidated damages, if the delay in the supply of goods or service is on account of hindrances beyond the control of the supplier / selected bidder.
 - 1. The supplier/ selected bidder shall request in writing to the Purchaser giving reasons for extending the delivery period of service, if he finds himself unable to complete the supply of goods or service within the stipulated delivery period or is unable to maintain prorata progress in the supply of goods or service delivery. This request shall be submitted as soon as a hindrance in delivery of goods and service occurs or within 15 days from such occurrence but before expiry of stipulated period of completion of delivery of goods and service after which such request shall not be entertained.
 - 2. The Purchaser shall examine the justification of causes of hindrance in the delivery of goods and service and the period of delay occurred due to that and recommend the competent authority on the period of extension which should be granted with or without liquidated damages.
 - 3. Normally, extension in delivery period of goods and service in following circumstances may be considered without liquidated damages:
 - i. When delay has occurred due to delay by JDA in performing any of the duties to be performed by them as mentioned in the Chapter titled "Scope of Work, Deliverables and Timelines".
 - ii. When delay has occurred in supply of materials etc. if these were required to be supplied to the supplier or service provider by JDA as per terms of the contract.
 - 4. If the competent authority agrees to extend the delivery period/ schedule, an amendment to the contract with suitable denial clauses and with or without liquidated damages (as the case may be) shall be issued. The amendment letter shall mention that no extra price or additional cost for any reason, whatsoever beyond the contracted cost shall be paid for the delayed supply of goods and service.
 - 5. It shall be at the discretion of the concerned authority to accept or not to accept the supply of goods and / or services rendered by the contractor after the expiry of the stipulated delivery period, if no formal extension in delivery period has been applied and granted. The competent authority shall have right to cancel the contract with respect to undelivered goods and/ or service.
 - 6. If JDA needs the good and /or service rendered after expiry of the stipulated delivery period, it may accept the services and issue a letter of extension in delivery period with usual liquidated damages and denial clauses to regularize the transaction.
- d) In case of extension in the delivery and/ or installation/ completion/ commissioning period is granted with full liquidated damages, the recovery shall be made based on following percentages of value of goods and / or service which the supplier / selected

bidder has failed to supply or complete: -

No.	Condition	LD %*
a.	Delay up to one fourth period of the prescribed delivery period, successful installation and completion of work.	2.5 %
b.	Delay exceeding one fourth but not exceeding half of the prescribed delivery period, successful installation and completion of work.	5.0 %
c.	Delay exceeding half but not exceeding three fourth of the prescribed delivery period, successful installation and completion of work.	7.5 %
d.	Delay exceeding three fourth of the prescribed delivery period, successful installation and completion of work.	10.0 %

1. Fraction of a day in reckoning period of delay in supplies, successful installation and completion of work shall be eliminated, if it is less than half a day.
2. The maximum amount of liquidated damages shall be 10%.
3. The percentage refers to the payment due for the associated event.

25. Risk & Cost: If successful bidder fails to complete the milestone(s) the same will be got executed by another firm JDA and the expenses incurred in this account will be charged by the bidder.

26. Price Fall Clause: The prices under a rate contract shall be subject to price fall clause of Act.

27. Limitation of Liability: Except in cases of gross negligence or wilful misconduct: -

- a) neither party shall be liable to the other party for any indirect or consequential loss or damage, loss of use, loss of production, or loss of profits or interest costs, provided that this exclusion shall not apply to any obligation of the supplier / selected bidder to pay liquidated damages to the Purchaser; and
- b) the aggregate liability of the supplier / selected bidder to the Purchaser, whether under the Contract, in tort, or otherwise, shall not exceed the amount specified in the Contract, provided that this limitation shall not apply to the cost of repairing or replacing defective equipment, or to any obligation of the supplier / selected bidder to indemnify the Purchaser with respect to patent infringement.

28. Change in Laws & Regulations: Unless otherwise specified in the Contract, if after the date of the Invitation for Bids, any law, regulation, ordinance, order or bylaw having the force of law is enacted, promulgated, abrogated, or changed in Rajasthan/ India, where the Site is located (which shall be deemed to include any change in interpretation or application by the competent authorities) that subsequently affects the Delivery Date and / or the Contract Price, then such Delivery Date and/ or Contract Price shall be correspondingly increased or decreased, to the extent that the Supplier has thereby been affected in the performance of any of its obligations under the Contract. Notwithstanding the foregoing, such additional or reduced cost shall not be separately paid or credited, if the same has already been accounted for in the price adjustment provisions where applicable.

29. Force Majeure

- a) The supplier / selected bidder shall not be liable for forfeiture of its PSD, LD, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
- b) For purposes of this Clause, "Force Majeure" means an event or situation beyond the

control of the supplier / selected bidder that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the supplier / selected bidder. Such events may include, but not be limited to, acts of the Purchaser in its sovereign capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.

- c) If a Force Majeure situation arises, the supplier/ selected bidder shall promptly notify the JDA in writing of such conditions and cause thereof within 15 days of occurrence of such event. Unless otherwise directed by JDA, the supplier / selected bidder shall continue to perform its obligations under the contract as far as reasonably practical.
- d) If the performance in whole or part or any obligation under the contract is prevented or delayed by any reason of Force Majeure for a period exceeding 60 days, either party at its option may terminate the contract without any financial repercussion on either side.
- e) In case a Force Majeure situation occurs with the JDA, the JDA may take the case with the supplier / selected bidder on similar lines.

30. Change Orders and Contract Amendments

- a) The Purchaser may at any time order the supplier / selected bidder through Notice in accordance with clause "Notices" above, to make changes within the general scope of the Contract in any one or more of the following: -
 - a. drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Purchaser;
 - b. the method of shipment or packing;
 - c. the place of delivery; and
 - d. the related services to be provided by the supplier/ selected bidder.
- b) If any such change causes an increase or decrease in the cost of, or the time required for, the supplier's/ selected bidder's performance of any provisions under the Contract, an equitable adjustment shall be made in the Contract Price or in the Delivery and Completion Schedule, or both, and the Contract shall accordingly be amended. Any claims by the supplier / selected bidder for adjustment under this clause must be asserted within thirty (30) days from the date of the supplier's / selected bidder's receipt of the Purchaser's change order.
- c) Prices to be charged by the supplier / selected bidder for any related services that might be needed but which were not included in the Contract shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the supplier / selected bidder for similar services.

31. Termination

a) Termination for Default

- a. The tender sanctioning authority of JDA may, without prejudice to any other remedy for breach of contract, by a written notice of default of at least 30 days sent to the supplier/ selected bidder, terminate the contract in whole or in part: -
 - i. If the supplier/ selected bidder fails to deliver any or all quantities of the service within the time-period specified in the contract, or any extension thereof granted by JDA; or
 - ii. If the supplier/ selected bidder fails to perform any other obligation under the contract within the specified period of delivery of service or any extension granted thereof; or
 - iii. If the supplier/ selected bidder, in the judgement of the Purchaser, is found to be engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the contract.

- iv. If the supplier/ selected bidder commits breach of any condition of the contract.
 - b. If JDA terminates the contract in whole or in part, amount of PSD may be forfeited.
 - c. Before cancelling a contract and taking further action, advice of senior most finance person available in the office and of legal adviser or legal assistant posted in the office, if there is one, may be obtained.
- b) **Termination for Insolvency:** JDA may at any time terminate the Contract by giving a written notice of at least 30 days to the supplier / selected bidder, if the supplier / selected bidder becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the supplier / selected bidder, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to JDA.
- c) **Termination for Convenience**
 - a. JDA, by a written notice of at least 30 days sent to the supplier / selected bidder, may terminate the Contract, in whole or in part, at any time for its convenience. The Notice of termination shall specify that termination is for the Purchaser's convenience, the extent to which performance of the supplier / selected bidder under the Contract is terminated, and the date upon which such termination becomes effective.
 - b. Depending on merits of the case the supplier / selected bidder may be appropriately compensated on mutually agreed terms for the loss incurred by the contract if any due to such termination.
 - c. The Goods that are complete and ready for shipment within twenty-eight (28) days after the supplier's/ selected bidder's receipt of the Notice of termination shall be accepted by the Purchaser at the Contract terms and prices. For the remaining Goods, the Purchaser may elect:
 - i. To have any portion completed and delivered at the Contract terms and prices;
and/or
 - ii. To cancel the remainder and pay to the supplier / selected bidder an agreed amount for partially completed Goods and Related Services and for materials and parts previously procured by the supplier/ selected bidder.

32. Settlement of Disputes

- a) **General:** If any dispute arises between the supplier / selected bidder and JDA during the execution of a contract that should be amicably settled by mutual discussions. However, if the dispute is not settled by mutual discussions, a written representation will be obtained from the supplier/ selected bidder on the points of dispute. The representation so received shall be examined by the concerned Procurement Committee which sanctioned the tender. The Procurement Committee may take legal advice of a counsel and then examine the representation. The supplier / selected bidder will also be given an opportunity of being heard. The Committee will take a decision on the representation and convey it in writing to the supplier / selected bidder.
- b) **Legal Jurisdiction:** All legal proceedings arising out of any dispute between both the parties regarding a contract shall be settled by a competent court having jurisdiction over the place, where agreement has been executed and by no other court, after decision of the standing committee for settlement of disputes.

Section 6: Special Terms & Conditions of Bid & Contract

The following Special Conditions of Contract shall supplement the General Conditions of Contract. Whenever there is a conflict, the provisions herein shall prevail over those in the General Conditions of Contract.

1. Verification of Eligibility documents by JDA

JDA reserves the right to verify all statements, information and documents submitted by the bidder in response to tender document. The bidder shall, when so required by Tendering Authority, make available all such information, evidence and documents as may be necessary for verification. Any such verification or lack of verification by Tendering Authority shall not relieve the bidder of its obligations or liabilities hereunder nor will it affect any rights of Tendering Authority thereunder. If any statement, information, and document submitted by the bidder is found to be false, manipulated or forged during verification process, strict action shall be taken as per RTTP Act 2012.

2. Professional Manpower

- a) Per man month charges should be the minimum a resource should be paid (Gross) by the Agency inclusive of annual bonus, gratuity/retirement benefits if any, as may be payable in terms of Indian Labour Law and Medical insurance and accidental insurance, as cost to company.
- b) The professional manpower will work under the guidance of Nodal Officer of the project.
- c) The professional shall be entitled for Holidays as per Industrial Labour Law. However, on Government Holidays the services may be asked for as per the need without any extra cost.
- d) If the bidder and /or bidder's employees are found to be directly or indirectly involved in any unwanted activities, their services would be discounted / terminated. The bidder is responsible for the character of all employees provided.
- e) The legal bidding as per the industries dispute act. Payment of wages Act, contract labour Act, and others pertaining to Civil/Criminal legislation, medical claim if any, are the obligations of the bidder. The JDA would have no responsibility for the same.
- f) It is the responsibility of the bidder to provide payments, and other facilities as per the nominal wages in accordance with the law. All issues pertaining to the same would be dealt with by the bidder. The JDA would have no role in this.
- g) The State insurance, Provident Fund, Pension Gratuity, leaves, wages etc. as applicable, would have to be provided by the bidder and he would also be accountable for the employees. If for any reason, legal proceeding is undertaken against any employee, the bidder shall bear the responsibility. The JDA would not represent the same.
- h) JDA shall not have any liability/pay compensation towards any injury/ accident to the firm's employee while carrying out the maintenance/repair work under this contract.
- i) The bidder should also ascertain that as per contract the employees would not form any group/union etc. and would also not participate in such nor represent the same. If such incidence comes under the notice of the JDA, it will terminate the contract.

3. Contracting

- a) Under this contract Sub-Contracting is not allowed by the successful bidder(s).

4. Financial Evaluation & Negotiation

- a) L1 will be evaluated for each part ('PART-A: Items' and 'PART-B: Manpower for FMS') separately. The contract may be awarded partwise to different bidders.
- b) In case of more than one bidder found L1 in either part, then those bidders will be called for negotiation for that part.

- c) If L1 offer is found on the higher side for either part, then bidder can be called for negotiation for that part.
- d) In case bidder found L1 in one part is not L1 in other part, then that bidder will be called for negotiation for other part.

5. Financial Bid

The Bidder should quote for all the items as mentioned in the price schedule else bid shall not be accepted and will be out rightly rejected and will not be considered in the financial evaluation.

6. Delivery of Services

- e) The bidder will undertake all the indicative activities defined in the detailed Scope and any other associated activities. Adequate resources will be deployed by the bidder so that no activities are lost sight of and all of them are handled with reasonable efficiency.
- f) To discharge its responsibility, the agency will deploy experienced resources with proven competence and rich working experience. They will have to replace any resource with unsatisfactory performance within 5 working days of intimation, failing which Penalty shall be applicable as in per the tender clause. Further, no payment shall be payable for days of absent till replacement is affected.

7. Penalty for Non-Performance

- a) **Deployment of staff** - Whether the agency get their personnel trained after receipt of the work order or in advance, the support service in response to an intimation letter (viz the deployment of all the manpower resources mentioned in the work-order) should start as under:
 - 1. Within 5 days of the 'Date-of-Joining' as mentioned in our intimation letter against each support service/ positions.
 - 2. Any unjustified and unacceptable delay in extending the support service as mentioned above will render the bidder liable to pay Penalty Charges @1% per day of the total value (excluding GST etc.) of that resource mentioned in the work-order for next 10 days, beyond which tendering authority will get the work done through alternate sources at the cost and risk of the defaulting bidder.
 - 3. Further, in case the date-of-joining of any resource as mentioned in the intimation letter differs as per the actual-date-of-deployment but falls well within the permissible time line (viz. Date-of-joining plus 5 plus 10 days penalty period) then also there is no requirement of any amendment in the intimation letter and the FROM and END date of that particular resource of the intimation letter will be automatically treated as amended based on the actual date-of-deployment & period of deployment.
 - 4. In case a deployed person leaves the job in between (because of unsatisfactory performance or any other reason) or is absent for more than 5 days without any information to the Nodal Officer, then an alternate equivalent resource is to be deployed by the Bidder with immediate effect.
- b) **Conduct of staff** - The agency staff would strive to render the support services to the satisfaction of Nodal Officer. If any staff is found to be involved in disobedience/ misconduct, adopting illegal and foul methods, or exercising any corrupt practice in collusion with any third party or officials at the workplace, alternate equivalent resource is to be deployed by the Bidder with immediate effect.
- c) The penalty will also be applicable in case of misuse/ theft/ damage of equipment of Tendering Authority. The quantum of penalty will be up-to the value of the equipment, depending on the gravity of the act. The decision of Tendering Authority on the quantum of penalty will be final and binding in such cases.
- d) It is the bounded duty of the bidder to regularly pay (by 7th of every month) the deployed

manpower their entitlements like monthly salaries/wages. Tendering Authority does not expect any employee related complaints to escalate. A penalty of 1% of the bidder's billed value, of that resource(s), shall be applicable for the month in which such instance is brought to the notice of Tendering Authority.

- e) In reference to a) & b), Tendering Authority will not make any payment for the duration when the required services are not rendered by the bidder and in case no substitute has been deployed; the Penalty equivalent to 2 times of 'per day cost' of the hired services (considering 30 days in a month, subject to maximum of monthly wage of the resource) shall be deducted from the respective monthly bill of the agency if the replacement has not been made within 5 working days.
- f) For any breach in SLA in reference to above (a to d) - For three defaults, in any billing period, tendering authority will have the option to cancel the contract/agreement/work-order and forfeit the EMD/ Security Deposit and get the work done through alternate sources at the cost and risk of the agency. The contract will be cancelled and cancellation charges @10% of the FMS value will be applicable, which will be realized from pending payments of the agency or by raising claims.

Further, the penalty will be applicable for established negligence of a resource and not for the delay/ damage otherwise.

8. Payment Terms and Schedule

- a) Payment schedule for the bid will be as per details given below:

Event	% age of total payment as quoted by bidder in Financial bid	Condition/ Event
1.	Supply of items covered under Extended Warranty Support/ Upgradation with support/ Subscription renewal/ Support renewal/ Term renewal/ AMC.	
	100% of Item(s) Value	On Completion of event.
2.	Supply, Installation and Commissioning of items covered under Tech Refresh/ New supply with buyback.	
	100% of Item(s) Value	On Completion of event.
3.	Manpower for FMS	
	Payment for FMS shall be made on quarterly basis. The payment shall be made against deployed manpower.	

- b) **Installation & Commissioning of items covered under Tech Refresh/ New Supply with buyback, will be done on Free-of-Cost basis and no invoice will be raised for this work.**
- c) No Advance Payment will be made.
- d) The successful bidder will make the request for payment to the Tendering Authority in writing, accompanied by invoices describing, as appropriate, the services performed, and by the required documents submitted pursuant to the contract and upon fulfilment of all the obligations stipulated in the Contract.
- e) The currency or currencies in which payments shall be made to the successful bidder under this Contract shall be Indian Rupees (INR) only.
- f) All remittance charges will be borne by the successful bidder.
- g) Any penalties /liquidated damages, as applicable, for delay and non-performance, as mentioned in this bidding document, will be deducted from the payments for the

respective running bill subject to bill amount or from the performance security deposit.

- h) The agency will submit individual's Quarterly Satisfactory Performance Report(s) duly signed by the Nodal Officer.
- i) It is bounden duty of the bidder to regularly pay the deployed manpower their entitlements like monthly salaries/ wages/ annual increment/ EPF/ ESI/ Bonus/ Medical Insurance/ Accidental Insurance etc. as may be applicable. If required, the bidder should submit the proof thereof.
- j) The payment shall be made at the **end of each Quarter** with the adjustment of recoveries if any.
- k) Taxes/ GST, as applicable, will be deducted/ paid as per the prevalent rules and regulations. Any delay due to reasons not attributable to the Bidder(s) shall be excluded from the delivery timelines for LD/SLA.
- l) Penalties for any billing period shall be capped at 10% of the bill generated for that period.

9. Indemnity

- a) Tendering Authority stand indemnified of all legal obligations, past/ present/ future, of the bidder with its professionals/ resources deployed.
- b) Tendering Authority stand absolved of any liability on account of death or injury sustained by the staff deployed by the bidder during the contract period and for any damages or compensation due to any dispute between the bidder and its staff so deployed.
- c) The bidder will indemnify Tendering Authority of any infringement of third-party rights under the Patents Act or the IPR.

10. Confidentiality

- a) The bidder and their deployed personnel will not, either during the term or after expiration of this contract, use, sell, disclose any proprietary or confidential information relating to the software, services, contract or business or operations of Tendering Authority or its clients without the prior written consent of Tendering Authority.
- b) The bidder must sign the Non-Disclosure Agreement with Tendering Authority.

11. Security

- a) The bidder will ensure that no information about the software, hardware, database, and the policies of the client organization is taken out in any form including electronic form or otherwise, by the manpower posted by them.
- b) The bidder or its deployed personnel, by virtue of working on Tendering Authority's projects, can't claim any rights on the work performed by them. Tendering Authority will have absolute rights on the work assigned and performed by them. Neither any claims of the bidder or its deployed professionals will be entertained on the deliverables.

Annexure-2: Technical Specifications of Items (On bidder's letter head)

Note: All the specifications below are minimum specifications and higher specifications shall be used wherever necessary/ required. Deviation on higher side only shall be considered and no extra weightage shall be awarded for such deviations. If any one of the items quoted do not confirm fully to the specifications, then the technical bid will be rejected.

Part-A: Items

SN 1, Item No. 1: SAN Switch (Tech Refresh)			Quantity & Period: As per BoQ
BRAND NAME:			
MODEL NO.:		PART NO. (IF ANY):	
Sr. No.	Feature	Description	Compliance (Y/N)
01	Hardware	Minimum Dual SAN switches shall be configured where each SAN switch shall be configured with minimum of 24 Port or higher as per solution requirement	
		Required scalability shall not be achieved by cascading the number of switches and shall be offered within the common chassis only	
		Should deliver 16 Gbit/Sec Non-blocking architecture with 1:1 performance for up to 24 ports in an energy-efficient fashion	
		Should protect existing device investments with autosensing 4, 8, and 16 Gbit/sec capabilities.	
		The switch shall support different port types such as FL_Port, F_Port, E_Port, EX_Port.	
		The switch should be rack mountable	
		Should provide enterprise-class availability features such as redundant and hot pluggable components like power supply and FAN	
		The switch shall provide Aggregate bandwidth of 384 Gbit/sec end to end.	
02	Accessories	24 Nos. 16 Gbps SFP.	
03	Software	Switch shall have support for web-based management and should also support CLI.	
04	Warranty	NBD Warranty with 24x7x365 support.	

SN 2, Item No. 2: Unified Storage (Tech Refresh)			Quantity & Period: As per BoQ
BRAND NAME:			
MODEL NO.:		PART NO. (IF ANY):	
Sr. No.	Feature	Description	Compliance (Y/N)
01	General	The proposed array should have dual active-active controllers with NSPoF architecture & 99.999% availability.	

		The proposed array should be a unified storage supporting block, file services and vVOL natively or by providing add-on gateway/controllers in redundant configuration. Proposed storage should also support NDU software upgrade.	
02	Hardware	- Unified storage solution should minimum Hex-core Intel Xeon on each controller - Proposed storage shall have minimum 128GB DRAM cache mirror. Storage system should have capability to use high speed & high endurance SSD for extended cache to boost performance for both read and write I/Os. In case offered product do not have this capability, 256 GB system DRAM cache across controllers to be provided from day one. In case NAS capabilities are supplied as part of additional controllers, additional 64 GB Memory should be supplied across redundant NAS controllers. Max FAST Cache: Up-to 800 GBs per array - The proposed array shall support raid level of 5, 6 and 1/0	
03	Capacity	- The proposed solution must be configured with minimum 150 TB usable capacity, here capacity should be configured with - minimum 10TB on SSD disks (in RAID 5 with 1 hot-spares) of size not higher than 3.2TB, - minimum 35 TB on 10K RPM SAS disks (in Raid 5 with 1 hot-spares) of size not higher than 1.8 TB and - minimum 105 TB on NL-SAS 7.2K RPM disks (in RAID6 with 1 hot-spares) of size not higher than 12TB. - Required feature license if any to enable Sub-LUN data tiering across SSD, SAS and NL-SAS tiers must be provided. Proposed Storage shall be scalable to support 1PB usable capacity. - Proposed storage solution must be scalable to minimum 1 PB of Usable capacity, required hardware and software feature licenses to meet scalable capacity for all protocols should be offered day one. - Offered Storage array shall support at-least 400 SSD drives.	
04	Connectivity	- The array should be supplied 8 X 16G FC ports and 4 X 10G SPF+ ports across controllers along with the required transceivers. Ethernet ports shall support both Block (iSCSI) and File (NFS, CIFS) protocols simultaneously. Array must be capable of upgrading more FC, iSCSI, Ethernet ports online in future. - Offered Storage Should be configured with at-least 4 numbers of 12Gbps SAS backend ports across Dual controllers.	

05	Protocols	Must support Protocols like NFSv3, NFSv4, NFSv4.1; CIFS (SMB 1), SMB 2, SMB 3.0, SMB 3.02, and SMB 3.1.1; FTP and SFTP; FC and iSCSI.	
06	Data Services	- The proposed storage system must support SSD based cache for read and write I/Os, Automatic tiering between different tiers like SSD, SAS and NL-SAS, Storage Analytics, Snapshots for block and file, Remote Replication & Data-at-Rest-Encryption features. Licenses for these features should be factored from day1. Efficiency & Data Reduction features: - The proposed array should support enterprise class data services including - Thin Provisioning, Inline Compression & De-duplication for all flash pools. Storage should allow enable/disable of data services per application storage groups (single or group of LUNs). Data reduction must be supported on block (FCP, iSCSI) and file (CIFS, NFS) data Storage Resource Pooling: - The proposed array should support mixing of different tiers of disk media like SSD, SAS and NL-SAS in single storage pool for both block and file. Single storage pool should be accessible to both controllers. Proposed storage should also support auto-balancing of capacity across new added disks to avoid any hot spots. Data Encryption: - The proposed array must support storage controller-based Data at Rest Encryption solution or SED based encryption to encrypt data on all drives. Solution should be supplied with embedded key management solution or external key management solution. Scalable File System: - The proposed array must support traditional (user data) and transactional (VMware, Oracle) NAS use cases. Proposed storage solution must support creating multiple NAS servers for tenant isolation with each file system scalable up-to 256TB. WORM Support: - Storage shall have capability for protecting files from modification or deletion until a specified retention date to allows customers to create a permanent, unalterable set of files and directories and ensure the integrity of data. WORM capability should comply to SEC 17a-4(f) standards. Snapshot: - Proposed storage solution should support snapshot creation using ROW (Redirect on write) algorithm. Storage arrays should have ability to use snapshot as writable volume. Proposed system should support	

		snapshot scheduler. Proposed storage should allow snapshot replication with different retention for source and destination. Replication: - The Storage System shall support Synchronous & Asynchronous Replication for both Block and File Protocols. Data Archiving Support: - Proposed solution should include software for policy-based data archiving software to archive data from storage to secondary archival software. Software should support both NAS and Block level data archival to on-prem target or to public clouds. Details on supported targets to be submitted. Data Migration: - Proposed storage should include tools for data migration from existing storage. Detailed compatibility list to be submitted for the same along with SOP Quality of Service: - The proposed array should support QoS feature to limit the amount of IO (IOPS) or bandwidth (MB/s) a particular application can drive on the array.	
07	Security & Compliance	Proposed storage must have USA DOD Approved Products List (APL), Controller Based Data at-rest Encryption (D@RE), HIPPA compliant, TLS 1.2 support, native SHA certificate support, IPV6 and dual stack certified, FIPS 140-2 Level 1 certification, Common Criteria Certification international standard (ISO/IEC 15408) for computer security certification, KMIP compliant, STIG CAT1 and CAT2 compliance	
08	Software	Storage Management Software: - The proposed array should be supplied with native Storage management software with Web based GUI capable of generating customized reports, real time monitoring, historical performance data for analysis and trending, capacity utilization monitoring. Proposed management software should support management of multiple storage system from single console. - Proposed Storage systems shall be simple to setup enabling installation in just a few minutes; simple to use with an intuitive HTML5 user interface with multiple VMware and Microsoft integrations; simple to service/support that includes a built-in self-service portal with features and capabilities that easily help IT generalists resolve issues faster. Cloud Based Monitoring & Reporting: - Proposed solution should also have cloud-based monitoring and management tool with support for 2 years of historical reporting. Software should support	

		monitoring and reporting multiple storage system, VMware environment and SAN switches. Required on-prem software and hardware should be included in the solution. Cloud based software should be accessible from any internet connected device with mobile application support for iOS and Android. The tool should provide comprehensive monitoring of system health, performance, capacity, configurations, and on-array protection metrics. Tool shall have machine learning and predictive analytic measurements by using the metrics to improve capacity planning and fix problems before they disrupt business. Tool shall provide a comprehensive and proactive health score per array to ensure that each array provides the optimal foundation for running business data with the highest availability.	
		Application Aware Automation & Orchestration: Proposed storage solution should include software to automate and orchestrate application/databases data management - including but not limited to MSSQL, Oracle, Exchange etc - to create application/database consistent copy for multiple use cases including data repurposing, off-host backup, Test/Dev, Reporting etc. Proposed software should integrate with storage replication for application consistent disaster recovery	
		VMware Integration: Proposed storage solution should support VMware VAAI, SRM, VASA, vVOLS and VMware cloud foundation for multi-cloud data mobility. Detailed document to be provided for the same. Proposed storage should include software to create VM consistent point-in-time copies with support for granular data restoration	
09	Analyst Reports	Gartner's Magic Quadrant: Bidder must be listed in leader's quadrant of Gartner MQ report for Primary/General Purpose storage for last 3 years. Bidder should propose their latest storage models and solutions in response to this RFP.

1. In consideration of the System Analyst [Procuring Entity] (hereinafter called "JDA") having agreed to exempt M/s(hereinafter called "the said Contractor(s)" from the demand, under the terms and conditions of an Order No.....dated for the work(hereinafter called "the said Agreement") of Security Deposit for the due fulfilment by the said Contractor (s) of the terms and conditions contained in the said Agreement, on production of a Bank Guarantee for Rs.....(rupeesonly), we(indicate the name of the Bank), (hereinafter referred to as "the Bank") at the request ofContractor(s) do hereby undertake to pay to the JDA an amount not exceeding Rs.....(Rupees.....only) on demand.
2. We..... (Indicate the name of Bank), do hereby undertake to pay Rs..... (Rupees.....only), the amounts due and payable under this guarantee without any demur or delay, merely on a demand from the JDA. Any such demand made on the bank by the JDA shall be conclusive as regards the amount due and payable by the Bank under this guarantee. The Bank Guarantee shall be completely at the disposal of the JDA and We..... (Indicate the name of Bank), bound ourselves with all directions given by JDA regarding this Bank Guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs..... (Rupees.....only).
3. We.....(indicate the name of Bank), undertake to pay to the JDA any money so demanded notwithstanding any dispute or disputes raised by the contractor(s) in any suit or proceeding pending before any Court or Tribunal or Arbitrator etc. relating thereto, our liability under these presents being absolute, unequivocal and unconditional.
4. We.....(indicate the name of Bank) further agree that the performance guarantee herein contained shall remain in full force and effective up to <DATE> and that it shall continue to be enforceable for above specified period till all the dues of JDA under or by virtue of the said Agreement have been fully paid and its claims satisfied or discharged or till the JDA certifies that the terms and conditions of the said Agreement have been fully and properly carried out by the said Contractor(s) and accordingly discharges this guarantee.
5. We(indicate the name of Bank) further agree with the JDA that the JDA shall have the fullest liberty without our consent and without affecting in any manner our obligations hereunder to vary any of the terms and conditions of the said Agreement or to extend time of performance by the said Contractor(s) from time to time or to postpone for any time or from time to time any of the powers exercisable by the JDA against the said Contractor(s) and to forbear or enforce any of the terms and conditions relating to the said Agreement and we shall

not be relieved from our liability by reason of any such variation, or extension being granted to the said Contractor(s) or for any forbearance, act or omission on the part of the JDA or any indulgence by the JDA to the said Contractor(s) or by any such matter or thing whatsoever which would but for this provision, have effect of so relieving us.

6. The liability of us..... (indicate the name of Bank), under this guarantee will not be discharged due to the change in the constitution of the Bank or the contractor(s).
7. We..... (indicate the name of Bank), lastly undertake not to revoke this guarantee except with the previous consent of the JDA in writing.
8. This performance Guarantee shall remain valid and in full effect, until it is decided to be discharged by the JDA. Notwithstanding anything mentioned above, our liability against this guarantee is restricted to Rs..... (Rupees.....only).
9. It shall not be necessary for the JDA to proceed against the contractor before proceeding against the Bank and the guarantee herein contained shall be enforceable against the Bank notwithstanding any security which the JDA may have obtained or obtain from the contractor.
10. We..... (indicate the name of Bank) verify that we have a branch at Jaipur.
11. We undertake that this Bank Guarantee shall be payable at any of its branch at Jaipur. If the last day of expiry of Bank Guarantee happens to be a holiday of the Bank, the Bank Guarantee shall expire on the close of the next working day.
