- Jaipur development authority has decided to receive bid security deposit , Tender fee and RISL processing fee online through JDA portal. The bid security options available in tender for participants are as mentioned below :-

- Payment Options:

- Option-1: Bank Guarantee (BG) against EMD / Bid Security

Bidder may opt Bank Guarantee (BG) against EMD (Bid Security), for which bidder requires to prepare BG before applying in the tender. The details of BG requires to be fed on JDA portal before paying balance amount (Tender Fee + RISL Processing Fee). This amount will be paid through **Payment Gateway only**, option to make balance payment through EFT (RTGS/NEFT) will not be available.

If bidder does not opt for BG against EMD, options of making complete payment through Payment Gateway or through EFT (NEFT / RTGS) will be available.

- Option-2: Electronic Fund Transfer (EFT: NEFT/RTGS)

If the bidder selects payment mode as EFT (NEFT/RTGS), "Paying Slip for EFT (NEFT/RTGS)" will be generated by the system for the complete amount. The payment can be made from any Bank any Branch using this Paying Slip through NEFT/RTGS (Claim against payment made through EFT in any other JDA bank account will not be acceptable and bidder stands disqualified from participation in the bid applied for). After successful transaction through NEFT/RTGS, as per the standard procedures it may take 4 to 24 hours in process of confirmation of EFT through Auto-Process depending on the time of EFT done. Therefore, option to make payment through EFT (NEFT/RTGS) will be available till 48 hours prior to closing date of bid participation.

- Option-3: Payment Gateway (Aggregator)

The facility to make payment through Debit Card, Credit Card, Net banking etc., will be available. User can use this facility from anywhere any time till the closing date & time of bid participation.

- B. Bid Participation Receipt

After confirming payment, the bidder will get Bid Participation Receipt on the basis of which user will get the payment details along with other details for bidding on e-Procurement portal of GOR.

- In case of BG as the remaining payment will be done through Payment Gateway, on successful transaction the "Bid Participation Receipt" will be generated on real time basis.
- In case complete payment is done through Payment Gateway, on successful transaction the "Bid Participation Receipt" will be generated on real time basis.
- In case complete payment is done through EFT (NEFT/RTGS), on confirmation of payment from ICICI Bank (Auto Process) "Bid Participation Receipt" will be available on Login of Bidder on JDA portal.

Note:

1. Bidder (authorised signatory) shall submit their offer on-line in Electronic formats both for technical and financial proposal.
2. In case, any of the bidders fails to pay the Tender Fee, BSD, and RISL Processing Fee, online (subject to confirmation), its Bid shall not be accepted.
3. To participate in online bidding process, Bidders must procure a Digital Signature Certificate (Type III) as per Information Technology Act-2000 using which they can digitally sign their electronic bids. Bidders can procure the same from any CCA approved certifying agency, i.e. TCS, Safecrypt, Ncode etc. Bidders who already have a valid Digital Signature Certificate (DSC) need not procure a new DSC. Also, bidders must register on <http://eproc.rajasthan.gov.in> (bidders already registered on <http://eproc.rajasthan.gov.in> before 30.09.2011 must register again).
4. JDA will not be responsible for delay in online submission due to any reason. For this, bidders are requested to upload the complete bid well advance in time so as to avoid 11th hour issues like slow speed; choking of web site due to heavy load or any other unforeseen problems.
5. Bidders are also advised to refer "Bidders Manual Kit" available at eProc website for further details about the e-Tendering process.

 - (ii) peruse or inspect documents, relevant records or copies thereof relating to the matter.
- (c) After hearing the parties, perusal or inspection of documents and relevant records or copies thereof relating to the matter, the appellate authority concerned shall pass an order in writing and provide the copy of order to the parties to appeal free of cost.
- (d) The order passed under sub-clause (c) above shall also be placed on the state public procurement portal.

Annexure D :Additional Conditions of Contract**1. Correction of arithmetical errors**

Provided that a financial bid is substantially responsive, the procuring entity will correct arithmetical errors during evaluation of financial Bids on the following basis:

- (i) if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the procuring entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- (ii) if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- (iii) if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated bid does not accept the correction of errors, its bid shall be disqualified and its bid security shall be forfeited or its bid securing declaration shall be executed.

2. Procuring Entity's Right to Vary quantities.

- (i) At the time of award of contract, the quantity of goods, works or services originally specified in the bidding documents may be increased or decreased, by a specified percentage, but such increase or decrease shall not exceed twenty percent, of the quantity specified in the bidding documents. It shall be without any change in the unit prices or other terms and conditions of the bid and the conditions of contract.
- (ii) If the Procuring entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding document due to change circumstances, the bidder shall not be entitled to any claim or compensation except otherwise provide in the conditions of contract.
- (iii) In case of procurement of goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 25% of the value of goods of the original contract and shall be within one month from the date of expiry of last supply. If the supplier fails to do so, the procuring entity shall be free to arrange for the balance supply by limited bidding or otherwise and the extra cost incurred shall be recovered from the supplier.

3. **Dividing quantities among more than one bidder at the time of award (In case of procurement of Goods):-**

As a general rule all the quantities of the subject matter of procurement shall be procured from the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, then in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.

2. The bidder shall conduct test as per the direction of Engineer- In-charge with proper equipment, sufficient staff and vehicles.
3. Equipments mentioned in Annexure-C have to be provided by the bidder in this lab.
4. All Equipments, Machines and gauges should be calibrated from NABL norms.
5. It will be the responsibility of successful bidder to collect sample from various sites along with QC Staff / person nominated by JDA as per prescribed norms/instructions of Engineers-In-Charge.
6. Bidder should employ minimum two engineering degree/diploma holder and two scientists/experts in operating all equipments placed in the lab to begin with and shall have to deploy more staff corresponding to work load.
7. For collection of sample successful bidder has to arrange vehicles at his own cost no extra payment on this account shall be payable. The number of vehicle should be sufficient for smooth running of complete operation (minimum one vehicle).
8. Engineer-In-Charge from time to time will assess the additional requirement of staff as well as vehicles and bidder has to arrange/provide them as per directions.
9. All the tests at lab shall be carried out in accordance with IS/IRC/MoRTH/BS&ASTM (if required)/JDA detailed specification and to the entire satisfaction of the QC staff/Engineer-In-Charge.
10. The bidder shall comply with all the instructions and conditions given in the sections herein after in this document.
11. He shall maintain a library in soft copy and hard copy both in the lab where he shall have all relevant codes, test procedures acceptance criteria & further methodology of testing if any, available for use.
12. The bidder shall assist JDA for Job Mix Design.

13. Lab will allow witnessing test on written request from the agency/Contractor and no extra payment shall be made to lab.
14. The test listed (Annexure 'D') which are not covered under NABL approval, will be conducted as per relevant BIS specification by duly calibrated equipments. The scope of accreditation as accorded by NABL should contain at least Field test/Laboratory test of compressive strength of concrete. Binder content, Dry & Wet Sieve analysis of Soil, GSB, WMM & WBM. Test related to properties of Bitumen & Steel.
15. Lab will maintain NABL at all time and will get re-accreditation well in advance before expiry of such accreditation.

2. Procedure:

1. After finalization of bid successful bidder will be awarded this work.
2. The engaged lab for JDA should be operational within 10 days from issue of the work order, failing which his earnest money will be forfeited and he will be blacklisted for at least next six months.
3. For all works it will be responsibility of successful bidder to make the complete program for collecting the samples from site with prior approval of Engineer-In-Charge.
4. As per the program a team comprising QC staff/person nominated by Engineer-In-Charge and required staff of lab will go to the sites and collect the samples.
5. In special cases staff of bidder will be authorized to take the samples from any site on any date by EE(QC)/SE(QC)/Dir(Engg) without presence of QC staff.
6. It will be the responsibility of Bidder to take the necessary pictures of work on sites at the time of taking samples if directed. He/She will also ensure the prima-facie work is as per the norms. During this process if they find any bad quality of work it will be their duty to report it immediately to the EE(QC)-I/II and respective Ex En of work and they will be authorized to take any sample of that poor/bad work.

7. In case where no representative of contractors/zones technical staff is available at site, QC staff will take necessary picture and they will be authorized to take necessary samples.
8. The collected samples shall be tested in the lab by the staff and result will be sent to the respective Ex En.(QC)-I/II within prescribed time and concerning Ex En shall link the results with the payment of the contractor.
9. The following color coding for reports shall be followed :
 - Report in white paper - Results are within limits
 - Report in Red paper - Results are beyond limits
10. For category B type works, it will be responsibility of respective Ex. Eng. to lay down the program for test to be conducted by bidder's lab from time to time, as in such case lab of contractor will also be there.
11. All required tests with prescribed norms shall be conducted by lab.
12. The successful bidder will provide names of the qualifying Engineers/scientists who will perform the test and thereby sign the results.
13. These Tests should be conducted by the competent technical staff only.
14. If it is found that test carried by lab staff is tampered/ manipulated/ misrepresented then JDA will take further actions in this regard.
15. The bidder shall comply with all the instructions and conditions given in the sections here in after in this document.

3. Payments:

1. The successful bidder shall be paid on the basis of number of the respective tests conducted by them in each month duly verified by QC Staff.
