| 1      | Special Terms & Conditions for Eligibility Criteria | Point no. 07 | The complaint rectification time will be maximum 48 hours. If more than 95% of lights of a particular section/road is working then there will be no penalty, if 90%-95% lights is working then Rs. 100 per light/per day shall be charged for lights not working and if 80%-90% light is working then Rs. 200 per light/per day shall be charged for lights not working and if 60%-80% lights is working then Rs. 300 per light/per day shall be charged for light not working. If less than 60% light are found working only, the work will be withdrawn raising a week notice. If the performance of the firm is not found satisfactory after raising a week notice, the contract may be terminated with forfeiture of EMD and if the firm quits the work during contract period deliberately, the EMD shall be forfeited and the firm will be black-listed. In this regard the decision of JDA will be final. | JDA is developing the Citizen complaint APP where anyone can complaint for damage/non-working of lighting with co-ordinate of lights. The complaint will be forwarded to the bidder/bidder's fault rectification team for rectification of complaint. The bidder's fault rectification team has to attend the problem and upload the GPS photo of the same on the app within 72 hours, if bidder fails to resolve the issue the penalty will be calculated with Rs. 100 per day per light upto 5 days from complaint raised and after 5 days penalty will be Rs. 200 per day per light. |

Other terms and conditions of the bid will remain same.
